

STORAGE REQUEST FORM

Please complete this form if you would like to us to store your garments for you. Our garment storage is a free service that we offer to our customers. This option is ideal for customers who have limited closet space or for those who like to “pack away” their seasonal clothing. Place this form inside the bag with the garments.

How our service works:

1. Fill out this form.
2. Place the garments that you would like us to store and this form in a separate bag from any regular cleaning that you may have.
3. Set the bag of garments out for your driver to pick up.
4. We clean the clothes and then store them in a temperature controlled room until you request that we return them.
5. When you are ready to have the clothes back, simply give us a call and we will return them to you the next day we are in your area.

Name: _____ **Acct. #:** _____

Address: _____

Phone #: _____ **Email:** _____

Approximate # of garments: _____

Approximate date/month you will want returned: _____

Would you like a call around the above date/month as a reminder?

Yes

No
