

Dear Customer,

I am writing to inform you that now you can have the balance of your account automatically billed to the credit card of your choice at the end of each billing cycle. (The end of the billing cycle is typically the last day of the month although on occasion it falls within the first week of the new month). We offer this service free of charge as a convenience for you. This method saves you the hassle of remembering to pay your bill on time and worrying about finance charges and overdue balances, not to mention saving you postage every month. You will still receive a statement at the end of each billing cycle that lists all of the tickets and totals that have accrued, as well as how much was charged to your credit card. All you need to do to take advantage of this opportunity is complete the form below. We will enter the information you provide us into our computer system and then at the end of the month as soon as we print the statements the computer automatically bills the balance of your account to your credit card. We currently accept VISA, MASTERCARD, DISCOVER, AND AMERICAN EXPRESS. Please DO NOT use a debit card due to the fact you will not know how much is charged until after the fact unless you keep your slips. Don't delay, return the form below to take advantage of this time saving offer.

Sincerely,

Shannon L. Howell
Manager
